The Unitarian Universalist Fellowship of Porterville is a welcoming congregation promoting individual spiritual growth and open to people of all backgrounds and beliefs.

We are dedicated to growing the fellowship through community education about Unitarian Universalist values.

As a Unitarian Universalist congregation, we affirm and promote:

- The inherent worth and dignity of every person;
- Justice, equity and compassion in human relations;
- Acceptance of one another and encouragement to spiritual growth in our congregations;
- A free and responsible search for truth and meaning;
- The right of conscience and the use of the democratic process within our congregations and in society at large;
- The goal of world community with peace, liberty, and justice for all;
- Respect for the interdependent web of all existence of which we are a part.
